NEWS AND NOTES

GENERAL INTEREST: New TCHC patches are now available. These new patches are quite colorful and will make an attractive addition to your patch collection (or to mend that growing hole in your pack!) -- they can even be ironed on! Quite a bargain, at only \$1.50, if purchased on Sunday hikes or at the Fall Dinner / Meeting; \$2.00 if purchased by mail.

E-ACCESS TO TCHC: In case you haven't gotten the word yet, the place to look for the latest TCHC news, trail information and conditions, impromptu hikes and meeting places is the TCHC discussion group. Follow the E-group link(s) at the TCHC web site (<http://bingweb.binghamton.edu/~aperry/tchc>) or the see the Web Sites / Web Info section of this news letter for more information.
