NEWS AND NOTES

TCHC patches are still (OK, are always) available. Our colorful design might be just the thing to help bring you out of those winter doldrums (unless of course you're out on club, or your own, hikes)! Still a bargain, at \$1.50, if purchased on Sunday hikes or at the Spring Dinner / Meeting; \$2.00 if purchased by mail.

In case you haven't yet gotten the word, the place to look for the **latest TCHC news**, trail information and conditions, impromptu hikes and meeting places is the TCHC discussion group. Follow the E-group link(s) at the TCHC web site (<http://bingweb.binghamton.edu/~aperry/tchc>) or see the Web Sites / Web Info section of this newsletter for more information.
