NEWS AND NOTES

MEMBER APPRECIATION WALK: On June 9 Ken Morgan and his social committee organized a fine hike at Binghamton University Nature Preserve. Professor Julian Shepherd led us down the marsh trail while pointing out the beaver activities of the past 17 years. At Stair Park we gathered around the picnic shelter to enjoy drinks, goodies and fellowship. Some hikers we hadn't seen on the trails in a few years included Norbert Adler, Jean Applegate, June Bielefeldt, Tom and Bev Chang, Nelson and Fran Dickey, Bill Hester, Bob Johnston, Charlie Keating, Val Marshall, Chuck Pettis, Paul and Sue Sadlon, John and Marge Telfer, Lee Trow, Sandra Wiley, and Peg Zdimal. We hope to promote this reunion event in future years.
